Between trust and justice:

seeking for HOPE

SAVE THE DATE

25 - 28 May 2021

Reconciliation in South Africa is a process of endurance and building trust. Truth and justice are fundamental concepts for meaningful, responsible dialogue, now and for the future. We cannot foresee the future, but we can anticipate the questions of future generations to earlier generations, and therefore for us. Within this complex scenario, how do we seek sources of hope?

Keywords: Relational ethics, Justice, Trust-building, Contextual approach, Intergenerational, Intercultural, Dialogue.
